

Delivery Charges Problem

GoFood is an online food delivery app which delivers food in Delhi 24x7. They sell the following items in their menu:

Item	Price
Pizza	Rs 150
Burger	Rs 100
Coke	Rs 50
Brownies	Rs 60

They also apply delivery charges to every order. The rules for applying the charges are below:

Rule	Charges
Peak hour	Rs 30
Special Days	Rs 50
Night Charges	Rs 20
Normal Delivery charge	Rs 20

The Peak hours are from 11am-2pm and 6pm-8pm

The Special days are: 25th Dec, 4th Nov, 9th Dec

Night charges are applicable if the order comes after 11pm to 4am.

Normal Delivery charges are applied when no other charges condition is present.

They also apply **5% GST** on all their items.

Generate the bill for the order by the customer on the basis of items and delivery charges.

Input:

SpecialDay: Yes

Items: Burger, coke

Peak hour: No

Night Order: Yes

Output:

Total Bill: 227.5

(5 % GST of 150rs = 7.5 | Total 220 + 7.5 = 227.5)
